

# CLONE MAXX™

## Naturally Occurring Microbes for Superior Root Set

- ✓ Concentrated microbial cloning formula
- ✓ More than 12 species of specialized microbial strains
- ✓ Extremely simple to use
- ✓ Cut clone, dip clone, plant clone
- ✓ Formula is pH neutral (extremely important for soil or hydro operations)
- ✓ Unlike hormone powders, Clone MAXX can be applied to the soil medium and plugs
- ✓ Provides optimal environment for explosive root growth
- ✓ Long lasting benefits (microbes will continue to propagate and provide plant with quick nutrient uptake)
