

# MICROBE MAXX™

## Improves Crop Yield and Quality

- ✓ Made with 100% Organic ingredients
- ✓ Increases plant performance while reducing need for fertilizers
- ✓ Reduces the water consumption and pesticide use
- ✓ Crops have higher nutrient content, faster and high germination rates, earlier maturation, better ability to withstand stresses such as wind and drought

Improves root growth, crop yield and absorption of nutrients & water while increasing capacity of cationic exchange

Improves soil health and water retention to help reduce infestations of insects, nematodes and harmful microbes

Increases effects of beneficial microbes to improve quality of crops

Reduces toxins in soil
