

ORGANIC PLANT ENHANCER™

Accelerate All-Around Plant Growth

- ✓ Stimulates the cation exchange capacity (CEC) in the roots creating greater absorption of moisture and nutrients. This increases the sugar (BRIX) of the plant and leaves, improving the photosynthesis response and giving dramatic increases in growth, strength, health and yield
- ✓ Organic Plant Enhancer is internationally certified organic and is blended with key essential oils, contains all natural ingredients and **NO HARMFUL CHEMICALS!**
- ✓ Safe, user friendly, systemic growth boosting product for all indoor and outdoor growers
- ✓ 100% bio-degradable and carcinogen free - and leaves no chemical trace residue
